

ONECLICK
Contractor

MetalVue has partnered with One Click to help your sales process perform at its best!

Designed by and for home remodeling professionals, One Click's all-in-one sales platform makes measuring, estimating, and selling incredibly simple.

Ditch the paper, go digital

One Click Contractor is a sales software solution designed specifically for remodeling contractors. We keep all of the vital information related to each job together, allowing sales to focus on generating revenue.

-  Error-free estimates
-  Digital job folders
-  Sell virtually
-  Payment processing
-  Offer financing
-  eSign documents

A simplified workflow to streamline your sales process

All in one platform

Designed by and for home remodeling professionals

Estimate

Create clear and consistent estimates including products, pricing, measurements, and photos.

Present

Quickly turn estimates into proposals with the click of a button. Use professional presentations either in person or virtually to wow your customers.

Close

All your documents are stored in one digital folder helping you sign agreements digitally, either on-screen or through email.

Get Paid

Integrated payment tools for credit card/ACH processing and financing.

In my first year using One Click, I showed 1,237% growth and made inc 5000's list as #505.

John Wohlford

President
OG Living StruXure Outdoor

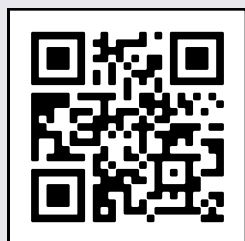

We've saved thousands in over/underestimating and saved 7-10 hours a week in admin time."

Jonathon Broce

Managing Partner
Meredith Home Improvements
