Post Frame

Thank you for considering Harmony Vinyl Windows from A.J. Manufacturing for your project. We hope to earn your trust by sharing our story of Product Quality and Performance, Commitment and Understanding, and Experience. All of the employees of A.J. appreciate the opportunity to share their good work and look forward to our products and services being an important part of your project.

A.J. Manufacturing has a rich history of product innovation and manufacturing excellence that spans over 60 years. The quality and performance of our products would not be possible if not for the dedication and skill of our employees.

All Harmony Windows Include:

Keeps You Comfortable In Any Climate

Low E / Argon glass keeps you warmer in the winter and cooler in the summer while letting in plenty of natural light.

Permanently fusion welded main frame and sash

Optional internal grids are color matched

Maintenance free vinyl

Triple weatherseal on sash

Extra thick 70 mil, multi-chambered vinyl frame and sash

Standard Low E / Argon filled glass

Double strength insulated glass

Optional internal woodgrain and extension jambs

DOUBLE HUNG

3 LITE SLIDER

DOUBLE SLIDER

SINGLE/DOUBLE HUNG & SLIDER WINDOWS

- Full screen standard
- Single/Double Hung Windows have dual cam locks on all windows over 26" wide
- Single/Double Slider Windows have dual cam locks on all windows over 26" tall
- Constant force balances neutralize sash weight for easy opening, never needs adjusting, and will provide years of trouble free operation
- Positive interlock with dual weather strip assures a tighter seal at the meeting rail providing an additional air barrier resulting in less heat loss
- Sashes tilt in for easy cleaning
- Can be factory mullied to create multiple units
- Triple weather strip on sash

CASEMENT & AWNING WINDOWS

- Full screen standard
- Dual Casement Operator on all windows 24" and wider allows nearly effortless operation of even the largest casement windows with fold away handles
- Full opening hardware allows the exterior glass to be cleaned from the inside
- Multi-point locking system creates a dependable tight seal from the inside
- Can be factory mulled to create twin or triple units

OPERATING / FIXED /
OPERATING CASEMENT

FIXED LITE PICTURE & ARCHITECTURAL WINDOWS

- Can be factory mulled to operating units
- Provides a unique look

DOUBLE OPERATING CASEMENT
WITH HALF ROUND

7500 PATIO DOOR

SLIDING PATIO DOORS

Designed to work like a charm—with performance that's built to last. Installer-friendly design and room for panel adjustment mean uneven surfaces are never a problem—it's a snap to plumb and square a Harmony door.

- Color matched to Harmony Windows
- Smooth and quiet operation with patented dual-tandem nylon wheels and a raised rail to protect the wheels from dirt and debris
- Multi-chamber design to reduce thermal exchange and increased air spaces
- Low E / Argon Standard IGU

*Multiple Weather Stripping Virtually
Eliminates Air Infiltration*

Multi-chamber Design

*Meeting and Mobile Stiles
Steel Reinforced*

EZ-v™ TRIM SYSTEM

A.J. patented EZ-v trim, installation and flashing system offers an easy installation with a leak free and attractive finish into steel clad buildings.

- EZ-v is available painted in a rainbow of colors
- Easy to install
- Leak free
- Tolerant of thermal expansion and contraction
- Doesn't require a subsequent application of J-Channel
- Patented vinyl trim for vinyl windows designed for the post frame industry
- Solar reflective packaging

The benefits of using the EZ-v system includes a dramatic reduction of installation labor. The EZ-v system diverts all the water to the exterior of the building ensuring a leak free installation.
